

# Assessor Training

**Duration** 1 day

**Attendance Capacity** 6 – 12

**Delivery** Public & Onsite

**Unit Standard(s)** 4098, 11281

We are passionate about Assessor Training and developing good assessor practice within the organisations that we work with.

We make the learning as practical, utilising scenario based learning and contextualisation of the trainees workplace assessing experience. This makes the learning experience much more efficient, relevant and participative.

## Who should attend

Our 4098 workshops are fully customised and targeted to:

- ▼ ITO registered Workplace Assessors
- ▼ Adult Education Tutors
- ▼ Other Provider Assessors Consultants
- ▼ On-the-Job Trainers
- ▼ Workplace Supervisors.

## Course Overview

Whether you need Assessor Training for yourself or a group of staff we will be able to organise the training and assessment required to achieve you NZQA Unit Standard 4098.

This one day workshop covers all the learning required to become assessment ready for unit 4098 & 11281. Additionally the workshop can cover the assessors future experiences of trainees, and industry. The workshop can be throughout New Zealand, in companies, or through a public schedule.

## Workshop information

Topics covered include:

- ▼ The New Zealand Qualifications Framework
- ▼ Standard Setting Bodies
- ▼ Understanding Qualifications and Unit Standards
- ▼ Types of assessment and their methods
- ▼ The Significance of Pre-Moderation
- ▼ The Assessment Process
- ▼ ITO / Organisational Requirements
- ▼ Best Practice Assessment Principles
- ▼ Making Assessment Decisions
- ▼ Recording Assessment Decisions
- ▼ Providing Feedback.
